ABOUT THE 1064/1065 SERIES POCKET DOOR PULLS

The Trimco 1064/1065 Series Pulls are classically designed for pocket doors. For use with notched pocket doors, these pulls are perfect for closets, hallways, bedrooms and bathrooms. An integrated edge pull enables easy access when the door is closed into the pocket, and the 1065 Privacy version adds a locking feature for bathroom and bedroom applications and includes an emergency turn button on the outside. Pre-assembled from the factory, these pulls are easy to install and are available in a variety of architectural finishes.
